

HOW TO PREPARE:

Shake bottle well. Measure out required amount of Searles White oil and stir in water.

CAUTION:

Certain plants are sensitive to oil sprays. Test on a small sample first if in doubt. DO NOT mix with or apply within one month of Carbaryl, lime sulphur or other sulphur sprays. DO NOT use on Glen Retreat mandarins. DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds.

STORAGE AND DISPOSAL:

Store in the closed, original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone 131 126). If swallowed, do NOT induce vomiting. Give a glass of water.

DISCLAIMER:

This product is designed to be used only for the purposes indicated on the label. Failure to use the product strictly as directed may be dangerous and cause injury, may be illegal, and may also render the product ineffective. The buyer or user is responsible for any misuses or negligence in the handling, storage, use of or disposal of this material. JC & AT Searle Pty Ltd will not accept any responsibility of any kind, whether for consequential loss or otherwise, in connection with the supply and use of the product other than those responsibilities mandatorily imposed by statutes applicable to the safety and supply of these goods.
